

Pink Putin Potpourri

*Op de melodie
van Brown Girl
in the Ring
(Boney M.)*

Love is everything
Tra la la la la
Love is everything
Tra la la la la la
Love is everything
Tra la la la la
It should be a gift
For everyone-one-one

Love et amore

Tra la la la la
Love et amore
Tra la la la la la
Love et amore
Tra la la la la
It should be a gift
For everyone-one-one

Op de melodie van By the Rivers of Babylon (Boney M.)

Every year at the Canal Parade
I feel so great. Seeing that crowd
Having fun and celebrate
Every year at the Canal Parade
I realise. I am so blessed
Living in a Pink Paradise

Let the world know
All we need is love, diversity
Is just the key to harmony
Come on sing along our lovesong
Let your love flow

Let the world know
All we need is love, diversity
Is just the key to harmony
Come on sing along our lovesong
Let your love flow

Op de melodie van Rasputin (Boney M.)

There lives an evil man in Russia nowadays
He supports a law against lesbians and gays
Most people look at him with terror and with fear
Cause he pulls the strings
Like a wicked puppeteer
It's distressing how he is suppressing
Homosexuality
In the name of love we are protesting:
Set our sisters free!

Stop stop stop Putin
Drop your law at the Kremlin
Love is no crime it's not a disease
Stop stop stop Putin
Your plans are so poisoning
For all the Russian LGBT's

*Op de melodie van Hooray Hooray
(Boney M.)*

Hooray Hooray
It's a Jolly Dolly Day
Let's enjoy have fun everyone
Jolly Dolly Day

Hooray Hooray
It's a Jolly Dolly Day
Let's enjoy have fun everyone
Jolly Dolly Day
